

THANK YOU FOR PURCHASING

Water Filtration Simplified™

Introducing our revolutionary new  
**Cartridge Tank™** Filtration System.

Purple and Red Series

### **Filter Cartridge Limited Warranty**

#### **WHAT IS COVERED:**

- Replacement, at no charge to you, within thirty (30) days of installation, any part of water filter cartridge which fails due to a defect in materials or workmanship during this limited thirty-day warranty.

#### **WHAT IS NOT COVERED:**

- Service trips to installation site to train user on how to use product
- Improper installation
- Failure of product if it is abused, misused, or used for other than the intended purpose
- Replacement of water filter cartridge due to water pressure that is outside the specified operating range or due to excessive sediment in water supply; or replacement with non-authorized replacement cartridge
- Damage to product cause by accident, fire, floods or acts of God
- Incidental or consequential damage caused by possible defects with any other equipment not covered by this warranty

**This warranty is extended to original purchaser,  
by authorized OEM customers.**

Some states do not allow exclusion or limitation of incidental or consequential damages. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state, or country to country. To know what your legal rights are, consult your local or state consumer affairs office, your state's Attorney General, or your national equivalent for international users.

#### **SPECIAL NOTICES:**

- Do not use water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after installing filter or system
- Systems certified for Cyst reduction may be used on disinfected water that may contain filterable cysts
- Any system this filter is installed in must be maintained according to manufacturer's instructions, including replacement of filter cartridges
- Contaminants or other substances removed or reduced by this water filter cartridge are not necessarily in your water
- Note that while testing was performed under standard laboratory conditions, actual performance may vary. Systems using these filters must be installed and operated in accordance with manufacturer's recommended procedures and guidelines
